"Too Much Gripe Airing"--Andersen

City employees have been airing their "gripes" through improper channels, City Administrator Dan Andersen told the city council Monday night.

In answer to a question by Councilman Micheal De Bernardi that "someone" was showing favoritism in awarding of city business, Andersen said, "Why don't these people bring their problems to me? If the jobs aren't being done right I'm the one who should hear about it."

De Bernardi said he had "heard numerous gripes about a certain Daly City firm getting all the police car-washing business."

"Why don't we spread this business around a little, if there's somebody else locally who can do the job as well?", DeBernardi asked.

He added that the company's wash jobs were not up to par.

DeBernardi also brought up the awarding of printing of city water billing to an outside firm.

"You gentlemen are running a $20,000,000 business," Andersen replied. "It's my job to take care of these minor purchases and if I can save the city money then I'm going to do it."

He continued by saying, "If city employees think something's wrong in their department they should carry their grievance to the proper authority, their department head, who should then take the matter up with the council."

Mayor Joseph Verducci concurred with Andersen and said, "Individual councilmen have no right to go around accepting gripes from every city employee."

The mayor said such a policy would lead to confusion and inefficiency in the various departments.

THE TOWN RECORD

By MONTE DAYTON

Ye Olde Brunswick street extension is still being extended, but haste is now being made slowly and one of these days it looks like it'll be done.

By the way, scuttlebut has it that Daly City's insurance company would drop the city like a hot patootie if the next contractor does any blasting on the job.

Court sessions aren't nearly completed yet after the suits resulting from blasting done there two years ago.

Things you wouldn't want to repeat: There's roughly 58,000 words of transcript taken from the DC public transportation session two weeks ago.

It strikes a familiar note . . . and wasn't it BOB HOPE who said if all the testimony in the McCarthy hearings was stacked together the farmers wouldn't have to worry about their crops for years to come?

After chipping in $901.55 to the widow in the first few days following the GEORGE BOERSTLER death, neighbors still continue to put their hearts before their pocketbooks, as another $280 was donated this week.

MRS. GEORGE PELLETIER is handling the collections and sends them immediately to Mrs. Boerstler, who, with her four young boys, is now living in Burbank.

Incidentally, Mrs. Pelletier has a valuable crucifix given Mrs. Boerstler the day of the tragic accident. The owner hasn't called for it and she'd like to know what to do with it.

Who's the local cop (must be a rookie) who makes his nightly door check at the top of the hill with such zest?

Without benefit of stop watch, it's estimated he hits about ten doors in less than two minutes.

What chance has a crook got against a guy who can be in that many places at one time?

Sorry, wrong number: Don't phone PL. 5-1993 to reach the Skyline dump, as was erroneously listed in THE RECORD'S 1953 city directory.

That number belongs to MRS. KENNETH MACLEOD, 56 Liebig street, who recently suffered a stroke and likes to have a little peace and quiet around her home.

Moreover, it's somewhat distracting to pick up your phone and have somebody ask, "Are you the dump?"

OVER 600 LOCAL PEOPLE ARE GIVEN X-RAY TB TESTS

Members of the Westlake PTA acted as hostesses when the mobile X-ray unit of the San Mateo County Tuberculosis and Health Association visited Westlake last month. Mrs. Fred N. Kruse served as chairman, assisted by Mesdames Don Lee Tourneau, M. C. Roe, Joseph F. Shea, Sam Arguello, Terry Lester and Sylvia Neustadt.

The hostesses took the names and addresses of all who came to the unit for their free X-rays. Those who X-rays are read as negative by a reading panel com-

(Continued on Page 2)

Woman Shears Pole On Serra Boulevard

A telephone pole on Junipero Serra boulevard was sheared off clean yesterday (Thursday) when struck by a car driven by Florence Kase, 30, of 271 Fairlawn avenue, a cashier.

Officers said the woman, who was driving north on the boulevard, hit the pole 250 feet south of Westlake avenue as her car went out of control at 3:50 a.m.

Mrs. Kase said that she swerved to avoid an object in the road.

A caution light that was attached to the pole was also demolished.

The driver suffered minor injuries but refused treatment.

She was cited by Daly City police for speeding without due caution. According to officers, she was travelling about 45 miles an hour.

BOERSTLER KIN EXTEND THANKS TO DC RESIDENTS

Mr. and Mrs. R. Hess, parents of Mrs. George Boerstler, and Mrs. Teresa Macumph, mother of Boerstler, extended heartfelt thanks this week to all the people of Daly City who offered aid and condolences after the tragic death of Boerstler last week in a gas explosion.

They said special thanks was due to the George Pelletier, Reuben Martinez and Earl Clark families.

"We think the people of Daly City have shown a kindness and generosity that is probably unequalled," they said.

"A great deal is also owed the Daly City fire department," they added, "for their wonderful help at the time of the accident and afterwards."

HIT AND RUN CAR DAMAGES TAXI

A cab belonging to the Luxor taxi company of San Francisco was damaged slightly Wednesday when it was struck by a hit and run car while it was parked in front of the home of William F. Larchen, 274 Hillside boulevard.

Larchen, 34, said that he heard a crash and rushed out of the house to check on the noise. He stated that he observed a dirty brown or tan Plymouth or Dodge speeding from the scene. Larchen gave chase but lost sight of the car.

A Plymouth hub cap and two strips of chrome were found at the scene.

Mrs. Boskey Newly Installed President Of Leukemia Aids

Mrs. Lynn Boskey was installed president of "the Leukemia Aids of Daly City," the new chartered auxiliary of the City of Hope national medical center, in the Eagles Hall on Monday night.

Maurice Lipian, regional director of the City of Hope, was installing officer.

Others installed were: Mrs. Charlotte Arko, vice president; Mrs. Albert Diebol, treasurer; Mrs. Wilma Riley, financial secretary; Mrs. Marge Lynch, recording secretary; and Mrs. Helen Seibers, corresponding secretary.

Council To Establish Policy On Sign Boards

An application from West Coast Advertising to locate a sign board across from Westmore motors on Mission street was held up by the city council Tuesday night.

The council agreed to establish a definite policy on bill boards before approving further applications.

The Record Recommends

(First District)	George R. Reilly	☒
COUNTY CORONER—		
Pub. Administrator	Paul B. Jensen	☒

OK Teacher Salary Jump

An average salary increase of $105 a year was granted to teachers of the Jefferson Elementary school district by the board of trustees last Thursday night.

The local Teachers association committee, with Mrs. Helen Schober as chairman, presented the salary proposal to the board.

Yearly increment in salary was upped from $120 to $140 annually.

The maximum salary, which was $5975 for teachers with 14 years experience, an MA and 24 semester units, was increased to $6000 for instructors in that category.

Average Salary

Average yearly salary for teachers under terms of the newly-adopted salary schedule is $4332. The board said adoption of the schedule was done to equalize the Jefferson scale with that of other school districts in the area.

Also adopted was a schedule for administrative, non-classroom staff, amounting to an annual increased cost to the district of $6097.

Under the new set-up, school principals and curriculum coordinators will receive 1.15 times the amount they would receive as classroom teachers.

Subject coordinators will receive 1.10 times the regular teachers amount, teaching principals, 1.06, and special subject teachers, 1.04 times the classroom teachers salary.

Top Salary

Top salary set for administrative and non-classroom personnel was set at $6760 per year, while the minimum was established at $3980. A total of 18 persons will be affected by the new schedule.

In other business at the meeting:

1. Letters of resignation were read from Ruth Dietterle, Elizabeth Winter and Joane Greene.

2. Grace Andriola from San Francisco and Elizabeth Wills of Oakland were hired for the next term.

3. Approval was granted for installation of primary grades play apparatus at Woodrow Wilson school.

4. Votes in the trustee election were canvassed.

5. Newly-elected trustees Henry Kraus, Joseph Lewkowitz and Katherine Mullen were sworn into office. They will officially assume their duties at the re-organization meeting of the board July 1.

6. The recent parent questionnaire sent to 15,550 homes last March was discussed. Parent reaction to various phases of the elementary school program were generally favorable, the survey showed.

June 15 Set As Date For Daly City Banquet

A banquet meeting of all city department heads, councilmen and commissioners will be held June 15 at the Southern, the council announced Tuesday night.

Purpose of the meeting is to provide the various city officials a chance to get acquainted.

Also scheduled to be on hand are the newly-appointed members of the city parking authority.

FUND DRIVE OPENS FOR GEORGE BOERSTLER FAMILY

FAMILY OF George Boerstler, who died last week in a gas explosion at his home, are shown here before leaving for Burbank, Calif., where they will live with Mrs. Boerstler's parents, Mr. and Mrs. Ray Hess. THE RECORD and the local fire department are sponsoring a benefit fund drive for the Boerstlers. Donations requested are $1. A television set will be awarded at the climax of the fund drive on June 30. Shown in picture (left to right) are Charles, 6, Ray, 2, Mrs. Boerstler, Robbie, 1, and George, 3.

THE RECORD photo

BRUNO MAN CITED FOR LONG LIST OF TRAFFIC VIOLATIONS

Boris David Hendric Christopher Mollerswerd, 25, of 996 Mills avenue, San Bruno, was cited for reckless driving, speeding, driving without lights, driving on the wrong side of the road and failing to heed red lights and sirens, Wednesday night by the Broadmoor police.

Mollerswerd, who has been in this country four years, was spotted speeding and driving without lights in Broadmoor by Sgt. Don Tannehill. Tannehill gave chase, using both the red lights and the siren, and clocked Mollerswerd at 62 miles per hour in the 35 mile zone.

According to Tannehill, Mollerswerd refused to pull over and the chase continued until the policeman was able to corner Mollerswerd in a dead end street in San Bruno.

The culprit was returned to the Broadmoor police station where he stated that he did not know the meaning of the red lights and siren.

Police Chief Ray Savage, Broadmoor police, stated that the man is in possession of a California state drivers license.

POLICE HOLDING UNCLAIMED BIKES

The Daly City police department announced Thursday that they currently have in their possession several racing bicycles that have been found after the bikes had been lost or abandoned.

Persons who have lost bikes within the past two weeks should check with the police. They will be returned to their owners after proper identification.

Brunswick Project Starts On Move Again

The city council got down to brass tacks Tuesday night in a study session on the Brunswick street extension project, with the result that revised plans were approved and ordered forwarded to the state for final OK.

On hand to give their sanction to the new plans were John Dykman and H. H. Smith Sr., who own property contiguous to the project site.

John Bloom, structural engineer, presented the plans and explained how the retaining wall would be constructed.

The wall will be of "L" shape, he said, to insure sufficient strength. In January, 1953, the retaining wall caved in, resulting in multiple damage suits being filed against the city and the original contractor, Bragato Paving Co. Further complicating the project is the fact that Robert Klassen, who was then city engineer, is suing the city for $6000 he claims is due him for professional services on the job.

Before revised plans were drawn up, Bernal Construction company was the contractor.

Since that time the Bernal company has lost their contractor's license.

Because the state is participating financially on the project with gas tax money, it is doubtful whether Bernal would have been allowed to proceed with the job even if the plans had remained the same.

In the face of this turn of events, the council decided to re-advertise for bids on the project, in order to secure full approval of the state.

The job will cost city no more than Bernal's bid, since Dykeman has agreed to cover anything over the $19,935 figure which Bernal submitted for the job.

Whoever is awarded contract on the job, won't be doing any blasting if the city and Dykeman have anything to say about it.

Last year's cave-in of the retaining wall was believed to have been caused by repeated blasting of the solid rock.

PRIMARY ELECTION TUESDAY

Lighter Turnout Seen Than In '52 Balloting

Approximately 156,434 voters in San Mateo county will be eligible to vote in Tuesday's primary election when 32 candidates will vie for 19 county posts.

Voting is expected to be much lighter than it was in the general election two years ago when 90% of the eligible persons in the county voted.

During the 1952 general election over 85% of Daly City's 10,830 voters cast their ballots.

This area has long been one of the county's Democratic strongholds. Even in the 1952 general election when the Republican candidate Dwight D. Eisenhower swept into office as a result of heavy Democratic support, as well as the Republican backing, Daly City remained Democratic. In that election Daly City was one of the few cities remaining Democratic.

Seeking election to county posts are:

Supervisor, second district: Martin A. Poss, San Mateo; Joseph O. Ridolfi, San Mateo; and Louis F. Francis, San Mateo.

Supervisor, fifth district: Edward R. McDonald, Burlingame; and Lester Morgan, Burlingame.

Assessor: Osmer B. Hempstead, Burlingame.

Controller: Ira Boynton, Menlo Park; J. Carl Ferrell, Redwood City.

County Clerk: John A. Bruning, San Mateo.

Coroner: Paul B. Jensen, Menlo Park; and John H. Brickell, Menlo Park.

Engineer: Melville A. Grant, Redwood City.

District Attorney: Keith C. Sorenson, Redwood City; F. Herschel Campbell, San Mateo; and Roy W. Seagraves, Burlingame.

Recorder: Ruth A. Kirste, Redwood City.

Sheriff: Earl B. Whitmore, Redwood City.

Superintendent of Schools: James R. Tormey, San Mateo.

Tax Collector: Ralph C. MacArthur, Woodside.

Treasurer: Albert H. Sagehorn, San Carlos.

Judge of Superior Court (office 1): Aylett R. Cotton, San Mateo; L. John Waldier, San Carlos.

Judge of Superior Court (office 2): Louis B. Dematteis, Redwood City; Henry F. Davis, San Carlos.

Representatives in Congress (District 9): J. Arthur Younger, San Mateo; Harold F. Taggart, San Mateo.

Member of Assembly (25th district): Daniel J. Creedon, San Mateo; Theodore H. Pretzer, South San Francisco; and James B. Daly, Sharp Park.

Member of Assembly (26th district): Richard J. Dolwig, Atherton; Frank Groves, Redwood City.

United States Senator: Isobel M. Cerney, Menlo Park.

Police Start Drive To Rid City Streets Of Abandoned Cars

The police department has named Officer Jerry Galindo to contact owners of abandoned cars in an effort to remove one of the area's worst eye sores from the local streets and city property.

Galindo will contact the registered owners of cars left on the streets or in public areas and attempt to obtain their cooperation in removing them.

According to a current city ordinance it is unlawful for cars to be parked in the streets overnight. This, however, does not apply to abandoned cars or cars parked on private property.

REVERSE FLOW OF 'CIRCLE' TRAFFIC SOUGHT

Reversing of the flow of one-way traffic on Mission circle was suggested Tuesday night by Councilman Micheal de Bernardi in a study session.

At present, north-bound one-way traffic is allowed on the street.

De Bernardi said traffic should move the other way on the 20-foot wide strip to "ease congestion."

It was also proposed as an alternative that Mission circle be widened to provide space for two-way traffic.

City Engineer Edwin Smith said the state might cooperate in the project, if the street was widened to at least 38 feet.

The council referred the matter to the police commission for further study.

THREE COUNCILMEN' MAYOR ATTEND MEET AT SANTA BARBARA

Four councilmen are in Santa Barbara today attending the bi-annual convention of the Mayors and Councilmen's Institute.

Micheal de Bernardi, Sanford Vickers and Del Wilson, newly-elected councilmen and Joseph Verducci, mayor, are taking in the session.

Purpose of the confab is to instruct new councilmen and mayors on their duties as elected officials.

SCOUT FINANCE WEEK OFF TO GOOD START

Boy Scout finance campaign for the Daly City-Colma area got off to a good start Wednesday morning with a kickoff breakfast at Our Lady of Perpetual Help school cafeteria, attended by 25 business men and women, under the chairmanship of Robert E. Hunter.

Another ten men are working with Hunter on the business division solicitation, with about 100 parents being organized by Fred Kruse of Westlake, for a house-to-house canvass, to be carried out in the residential sections Thursday and Friday evenings. Residential workers met for a final briefing session at the Daly City council chambers Tuesday evening.

Separate District

Objective of the campaigners is to raise funds so that the Daly City-Colma area can be organized as a distinct administrative district of the San Francisco Council, with the eventual plan to have its own district Scout executive, who will live in Daly City or Colma, and spend the major portion of his time forwarding the program of Scouting for boys of the two communities. Such a development has been authorized by the executive board of the San Francisco Council and only needs the boost of sufficient funds to start putting it into effect. This important development was outlined to workers at the kickoff breakfast by H. C. Mugar, deputy Scout executive of the San Francisco Council, who complimented local residents on the increased membership and activity of local Cub Scout and Boy Scout units.

Report Meetings

Report meetings for the Boy Scout fund raisers will be held at the War Memorial community center on Thursday and Friday evenings of this week, between the hours of 8 and 10 p.m. Both business and residential division workers are asked to turn in their report envelopes then, and to pick up additional materials, if needed, Hunter said.

Wednesday's breakfast was prepared by Mrs. Anne Drury and her assistants, including several Cub mothers from OLPH Pack 243. Those who attended, in addition to Hunter and Mugar, included: Dick Milkovich, Lester D. Bastedo, Ray Charette, Mrs. Ivan T. Budaeff, Joseph Firpo, Fred Martin, Walter W. McRae, A. G. Luceti, James Mason, M. G. Han-

DALY CITY TO START NEGOTIATIONS ON TRANSIT AFTER MONDAY NIGHT

Representatives of Broadmoor, Sterling Park and San Mateo county will meet with the Daly City council Monday night and set plans for opening negotiations with one of the three public carriers seeking to provide transportation here.

Councilmen said they would decide at that time which company to negotiate with first, but added that this in no way would indicate any preference for that company.

Mayor Joseph Verducci, at a study session Monday night, said that representatives sent from the various areas concerned should be "authorized" to speak for their groups.

None of the representatives of the three transportation companies concerned will be in attendance at Monday's meeting.

The three firms which seek to operate here are the jitneys, Peninsula Bus Lines, and Westmoor line.

They presented their schedules a week ago Friday at a public meeting on transportation.

At that time the Muni railway, represented by Vernon Anderson, informed those present that San Francisco would suspend service here in less than 30 days. The muni will not be on hand at Monday's meeting.

The council decided Monday night not to call a Westlake representative, since the council itself will represent Daly City.

OVER 600 LOCAL PEOPLE ARE GIVEN X-RAY TB TESTS

(Continued from Page 1)

posed of all county chest physicians and radiologists, will be notified within the next few weeks. Those whose X-rays indicate need for further diagnosis will be notified to see their own doctors, and reports of these suspicious films will also be sent to their doctors.

A total of 290 X-rays was taken at Westlake, and an additional 333 on Mission street in Daly City.

The Golden Gate Bridge at San Francisco was opened to vehicular traffic on May 27, 1937.

Sigmund Stern Grove, a sheltered ravine in San Francisco, is the setting for many outdoor pageants and concerts during the Summer.

Paldi, Dan Andersen, Judge Thomas Bocci and Jack Price. Still others were being recruited Wednesday morning.

Area Captains

Area captains for the residential teams under Kruse include: R. H. Klingler, Al Wilson, and Warren Johnston of Westlake; Clyde Caruthers, John H. Papas, William Bradshaw, Stanley G. White, and Frank Prisco for Daly City and Colma. Anyone not contacted in the campaign may mail their contributions to Robert E. Hunter, 437 Santa Barbara avenue, or to Fred N. Kruse, 78 Lake Forest drive, and a receipt will be sent them.

Will Consider Entire County In Decisions, Says Supervisor Poss

Supervisor Martin A. Poss, chairman of the board of supervisors and candidate for re-election on June 8th today restated his pledge that all problems calling for supervisorial decision would be determined by him on the basis of how such decisions would effect the county's welfare as a whole.

"I am mindful of the fact that the supervisors are elected on a county-wide balloting and that it is the duty of those honored by election to the county's highest administrative post to give consideration as to how their judgments will be regarded by citizens in all county areas," Poss stated.

CAMPBELL WINS ENDORSEMENT OF COUNTY COUNCIL

Mayor F. Herschell Campbell of San Mateo, independent candidate for District Attorney of San Mateo county, has been endorsed by the San Mateo County Council of Republican Women.

Campbell also has received the endorsement of the San Mateo unit of Pro-America of which Mrs. Herbert Schick of Burlingame is president.

Golden Gate Park is one of San Francisco's most famous show places.

Sidewalk flower stands have brightened San Francisco's streets since the 1880s.

TWO NAMED TO KIRKWOOD COMMITTEE

State Controller Robert C. Kirkwood today announced the appointment of James T. O'Keefe, Jr. and Dennis Hession as Co-chairmen of the San Mateo County Committee for retention of Kirkwood as State Controller.

Hession is a senior partner in the law firm of Hession, Robb, and Creedon in San Mateo, and O'Keefe is a partner in the law firm of O'Keefe and O'Keefe of Redwood City.

In accepting the appointment, Hession and O'Keefe joined together in urging San Mateo County voters to support Kirkwood at the polls in June 8th. "It is our opinion," the Co-chairmen said, "that Robert C. Kirkwood has demonstrated outstanding ability for the job of State Controller. We feel that all members of the San Mateo community would do well to retain him as controller at the primaries on June 8th."

Hession is an alumnus of Stanford University and received his law degree from the law department of the University of California. O'Keefe is a graduate of Santa Clara University and of Santa Clara University Law School. O'Keefe is a Past President of the Peninsula Chapter of the Santa Clara Alumni Association, a member of the California State Bar Association and the San Mateo County Bar Association. He is Past President of the San Mateo County Bar Association. Hession is a former Director of the San Mateo Chamber of Commerce, a former Campaign Chairman for the San Mateo County Community Chest, and Chairman of the Woodside Civic League Committee.

Kirkwood, 44, is a native of Santa Clara County. He was elected four times as an Assemblyman and three times in the primaries. He was appointed Controller in 1952 to succeed Thomas Kuchel, when Kuchel became U. S. Senator. While in the assembly, Kirkwood has made a specialty of fiscal matters, education, water problems, and social welfare.

The California Palace of the Legion of Honor in San Francisco presents free organ recitals each Saturday and Sunday at 3 o'clock.

Judge Cotton Writes Article On Juvenile Court

"Juvenile Delinquency and the Juvenile Court" is the subject of an article written by Superior Judge Aylett R. Cotton and appearing in the June issue of a northern California lawyer's publication.

Judge Cotton, head of San Mateo county's juvenile court and one of the nation's leading authorities on the subject, is guest editor of the Legal Eagle, an attorney's magazine published in San Francisco.

Purpose of the journal is to bring to practicing lawyers the latest decisions and information about the courts. Judge Cotton traces the development of techniques in the fields of probation and juvenile delinquency during the past two decades.

In the article, Judge Cotton tells of the legal machinery available to the family and lawyer involved in handling a juvenile delinquent's case in court.

DC Labor Group Urges Election Of Dematteis

The Daly City labor committee for the retention of Judge Louis B. Dematteis as Superior Court Judge, department No. 2, today made the following joint statement:

"As civic-minded citizens who are interested in honest, fair and impartial administration of justice in all departments of our government, we hereby ask our many friends to show appreciation for an outstanding public official by voting for Judge Dematteis on Tuesday."

Members of the local labor committee are Edward J. Dennis, Sanford G. Vickers, Micheal R. DeBernardi, Emmett I. Campion, Tony Ricci and Walter J. Gillies.

Rec Commission Will Discuss Priority Of Proposed Playgrounds

A priority list for coming recreation projects will be established by the Daly City recreation commission at their regular meeting Monday night at the community center.

Among the proposed facilities to be discussed will be the Westlake park.

The commission will determine approximate cost of the various playground projects and decide which ones can be included in the 1954-55 recreation budget, which will be submitted to the city council before July 1.

McClure To "Invade" Bay Area Saturday

Stuart L. McClure, Republican candidate for the Board of Equalization, First District, will lead a friendly invasion of 42 Bay Area cities and towns at the head of a ten-car election caravan Saturday.

Starting from San Francisco at 7:30 a.m., the 15-hour, 600-mile trip will extend as far south as San Luis Obispo.

McClure will be met at the San Mateo County line at 8:30 a.m. by a contingent of his local supporters and escorted through the county. The candidate will visit and make brief speeches at Colma, Daly City, South San Francisco, Millbrae, Burlingame, San Mateo, Redwood City and Palo Alto.

San Francisco's Mission District is called "South of the Slot" from the days when cable cars plied Market Street.

The principal use of the wood of Pacific dogwood trees is in the manufacture of shuttles used in textile weaving.

AVOIDING DUPLICATION

With summer approaching, and the need for recreation facilities becoming more acute, we are glad to see that the high school facilities are going to be used for youth athletic programs.

In the summer baseball league coming up, the high school diamond will be made available to teams competing in the league.

Since the high school students are not using the diamond, it seems obvious that this would be the logical arrangement.

However, there still remains a sizeable amount of duplication of facilities in this community, as there is throughout the country.

The problem is becoming recognized more everywhere, and it's about time some minds were set to work on a solution.

We'll concede that Daly City and Jefferson High school district are two separate entities and, as such, must worry about insurance coverage, liability for property damage, ad infinitum.

However, these factors shouldn't present such a block that the facilities of both bodies should remain forever out of bounds to each other.

The high school athletic plant is an investment of nearly $300,000 at today's appraisal. The Daly City community center is worth a similar chunk.

Although the school and the city are separate legal entities, the bulk of the tax money supporting the two jurisdictions comes from the same people.

Therefore, to give these taxpayers a fair shake, we believe more coordination should exist in the use of recreation facilities.

Why should a $300,000 school plant sit vacant while kids can't find a city facility to hold a meeting or compete in a sports event?

In future planning we believe this should be born in mind. If the two jurisdictions are pooled they offer a lot of accommodations between them.

If there can only be some meeting of minds the Daly City area can arrive at a well-rounded recreation program without expending further moneys for building projects.

This duplication of facilities is tax ruination for the citizens.

The summer baseball league appears to be an example of some thinking that may lead to an economical, intelligent use of the facilities available to this area.

Safety News From Your Local Police

Freeway Safety Rules

Freeway driving can be safe, and pleasant too, if motorists follow certain basic techniques.

Unnecessary chances at high speed cause most of our freeway traffic accidents. The most important basic technique is to travel with the flow of traffic. This means driving at a reasonable speed, not too slow or too fast.

Next most important, is to drive in the right hand lane, keeping other lanes free for passing. This also means driving within one lane as much as possible and the elimination of weaving from lane to lane or cutting in and out to gain some small advantage.

Other techniques to help you drive safely on freeways are to follow at least one car length for every ten miles of speed between your car and the one ahead, signal your intention to change lanes, turn or stop, and always get into the proper lane well in advance of turning off the freeway.

Follow these pointers for all around safety on freeways.

You drive safely for yourself. Don't depend on the other fellow, just be courteous to him.

Signals Tell Tale

Good drivers are known by their signals, which give the following definition of a careful motorist. He plots his course in advance, anticipates the others on the road, chooses the correct lane for making turns and always makes the correct signal of what he himself intends to do.

Accident Report

(May 23 to May 30)

Total: Two auto-auto. One auto-pedestrian. One auto-bike. One auto overturned.

My Mad World

By Leonore Brewer

Our Memorial Day weekend started last Wednesday when we reached Reno and decided to waste no time in revisiting The Christmas Tree, a restaurant just a short drive down the Mount Rose Highway.

We found that its owner, Guy Michael, has been a busy man. We might even say that he has been an extremely busy man, as he is an almost-brand-new father of twins, Guy and Gail, his German Shepherd presented him with seven puppies; and somewhere during all this excitment he found time to install new panoramic windows in the dining room. So, as you can see, he hasn't been idle.

Fortunately he hasn't been tempted to change his menu, which is either steak or chops preceeded by a simple green salad and accompanied by a buttery baked potato. If you can face it, there is sherbet, ice cream or cheese for desert. It was so good we went back for more on Friday.

Part of the weekend was spent in Virginia City, where we remembered to look up some of Monte Dayton's friends. We were happy to meet Pat Hart of the Brass Rail and Johnny Zelac of the Delta, and since we also renewed our acquaintance with Leon of the Comstock House, we weren't exactly thirsty when we left.

We also called at the Territorial Enterprise and met Charles Clegg, the editor. It wasn't until we had left his office that we realized that we had failed to mention our approval of the plan to remove the neon signs from Virginia City, a further step along the road to restore the Queen of the Comstock to its past glory. The Virginia City Foundation Trust has been organized to handle this restoration campaign, and although we dislike to mention the ugly word money, we feel certain that former State Senator Clinton B. Andreasen, owner of the Sazarac in Virginia City and chairman of the Trust, would be happy to accept any contributions.

We hope that the next improvement will be to eliminate the ear-shattering howls that issue from countless modern jukeboxes. There are still some of the vintage models and mechanical pianos, etc. in existence, and owners of the numerous bars and shops should be encouraged to install them. It is too disillusioning to enter an 1870 bar complete with its magnificent chandeliers and then have ones ears assaulted by 1954 caterwauling.

DC SERVICEMAN NAMED TOP TRAINEE

FORT ORD, CALIF.—Brigadier General Wilbur E. Dunkelberg, assistant sixth infantry division commander, congratulates Private Mark B. Lowrey, Company D, 20th infantry regiment, for being selected recently as Outstanding Trainee of the week. Private Lowrey, 20, was inducted last February. His parents, Mr. and Mrs. Robert G. Evans, reside at 104 Santa Barbara avenue. Pvt. Lowrey is now stationed at Ft. Eustic, Va., where he has been re-assigned for stevedore school.

LOCAL SERVICEMEN

Frank Donofrid Now Training In Maryland

Frank Donofrid, son of Mr. and Mrs. Herman Schlapfer, 257 Hillcrest drive, has entered the Ordnance school at Aberdeen, Maryland, where he will receive training to qualify him as an ammunition supply specialist.

Following graduation, students who successfully complete this course are assigned to units throughout the world.

Sgt. Barker Receiving Amphibious Training

Marine Sgt. Edgar L. Barker, son of Mrs. Hazel Sunign of 420 Westlake, Daly City, has arrived at the Marine Corps Air Station, Kaneohe Bay, T.H., for six months of specialized amphibious and coordinated air-ground training.

The trainees are members of an amphibious reconnaissance group attached to the 1st Provisional Marine Air-Ground Task Force.

MISS KENNEDY NEW WESTLAKE SCHOOL PRINCIPAL

Miss Elizabeth Kennedy was the guest of honor at a luncheon sponsored by the Crocker PTA on Tuesday afternoon in the Club Casino.

Miss Kennedy, principal of the Crocker school for the past three years was feted on the occasion of her transfer to the Westlake school from the Crocker school.

The luncheon, attended by approximately 40 PTA members and teachers representing both the Woodrow Wilson school and the Crocker school, provided the opportunity for the members of the Crocker PTA to present Miss Kennedy with two gifts of appreciation for her cooperation with the PTA and her fine job as principal.

The group presented Miss Kennedy with a hand tooled leather hand bag, and a wallet and key ring set. Mrs. Agnes Fazendin, president of the Crocker PTA unit, made the presentation. Mrs. Julia Eckert, past president of the unit, was hostess for the day.

Miss Kennedy has been in the Jefferson Elementary school district as a teacher and a principal for the past 20 years. She taught in the Vista Grande and Woodrow Wilson schools before she became principal of the Crocker school.

The honored guest wore a corsage of green orchids, a gift of the custodian of the Crocker school, Mario Giacchino.

Teachers from both sessions at Crocker attended. The afternoon group arrived early and left early to attend their classes and the morning group didn't arrived until the morning session had concluded.

Publicity Responsible For Success

Dear Editor:

The 21st annual dance given by the Daly City Fire department was very successful and the department wishes to thank those who helped make it the success it was.

There is no doubt that without the fine publicity given us by your papers the dance would not have been as successful as it was.

Sincerely yours,
E. J. Kennedy, Chief

LION TALES

By Joseph Belli Jr.

In every strong, active, wide awake, live wire Lions club, you will find many who gladly shoulder their share of the responsibilities. They are leaders, the doers, the builders. The initiative, vitality and enthusiasm and the momentum of their leadership overcome the inertia of any whose names are merely on the rolls and who do not shoulder their share.

The real value of your position, office or committee assignment in a Lions club is the opportunity it offers to be of greater service. Certainly when you shoulder your share, you are serving. And when you serve, you gain, and when you gain you get ahead. Anyone who shoulders his share, advances and finds greatness of heart.

Anyone who is frequently referred to as a great or an exceptional person is usually only an average individual with a great or exceptional record and reputation for shouldering his share. Therefore each and every member should cultivate a shoulder-your-share attitude. It is a sure road to progress and success. Realize that every problem has a correct answer. The right answer will eventually be found by someone who shoulders his share in seeking it, and whatever problems your club may have, remember that they can and will be solved by those who possess a vigorous and enthusiastic application of a shoulder your share attitude.

Vincent Murphy, postmaster of Daly City, was installed as a new member by past president Stanford Hannah at our last weekly meeting. Lion Murphy was invited by one of our recent new members, Lion Sam Felser. On behalf of the club's officers, director and members congratulations "Vince."

Program for Wednesday, June 9, will be D. W. Beggs of Roddiscraft. He will speak on "Plastics Today."

Letters To The Editor

Auxiliary Port Urged By Markovich Sarto

Dear Editor:

The auxiliary or emergency port was first introduced in Congress during the second term of Jack Z. Anderson, where it received approval of the River and Harbors Committees and also undoubtedly the endorsement of the Army Engineers. The Bill for the construction was passed by both houses of Congress but was vetoed by President Roosevelt reportedly for economic reasons.

The construction of the breakwater which would facilitate the use of Half Moon Bay as a commercial harbor is now more important than ever. With this harbor, the Bay would have an auxiliary or emergency port for immediate use in case the Golden Gate Bridge were bombed or destroyed by other catastrophe, thus blocking the entrance to San Francisco Bay, or in case of atomic attack in the Bay Area which would make the entire area untenable and could seriously disrupt all shipping which is vital to the defense effort.

San Mateo county, which is one of the fastest growing counties in the State, should make every effort in attaining these facilities. Aside from taking the necessary precautions in case disaster strikes San Francisco, we in San Mateo county would benefit economically, both from the standpoint of actual building operation and the future benefits of commerce and industry. Being a bedroom county, we are in dire need of commerce and industry to maintain our tax structure which, in turn, would reduce the burden of taxes now absorbed by the home owner.

Hoping that some action will be taken regarding this matter in the near future by our local representative in Congress.

Sincerely,

Peter Markovich
Joseph Sarto

Reprimands Paper 'Error' In Billing Story

Dear Editor:

An article printed in your paper on April 29 titled "May Bring Billing Back Home" has come to my attention.

In paragraph three of the article it is stated—

"At present the service is being provided by Remington Rand Co. at a contract rate of $300.00 per month. However, the contract calls for addition of extra charges against the City for miscellaneous services. Last month the bill ran to $799.82."

It will be appreciated if in the future your reporters check with all parties concerned prior to releasing statements of this kind for publication.

Accordingly and in order to clarify the present situation, we wish to point out that the figure of $799.82 as quoted in your article is for two months billing and not one as the article implies. Billing is as follows:

January	$374.92
February	$424.80
Total	$799.42

These figures include the following services:

1. Postage
2. Transportation Charges
3. Use of Postage Meter
4. Miscellaneous clerical time involved in above.

We have been making every effort to provide Daly City with the best service possible and shall continue to do so as long as it is our pleasure to serve the account.

In closing, it would be appreciated if the impression created by your article is corrected.

Yours very truly,
R. A. KYER

ELECTION JUNE 8, 1954

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

The first of the three day weekends of summer is now in the past. Many of the folks took advantage of the long weekend and away they went to many places. So far as I have heard all the folks got back safely and had a good time. There were so many accidents to mar the joy of the holidays but luckily none of them happened to anyone that we know.

Boulder Creek was a very popular spot this weekend. MR. and MRS. JOE LARSON of Los Banos avenue who are as much at home there as here were some of the first to arrive in the summer town. They met some of their neighbors in town and are a lot of fun to meet at anytime or any place.

Many of the folks will be glad to hear that MRS. CATHERINE "BABE" DUFFY formerly of Los Banos avenue is now recuperating very nicely after major surgery at Mills Memorial hospital. While it is not known just how long Babe will have to remain in the hospital all who know her not only wish her the best but know that it will take more than an operation to keep her down.

Accidents happen to the best of us and at the least expected times. MR. MITCHELL STEWART of Los Olivos avenue had the misfortune to fall as he was getting down from a scaffold at work. Result—one badly broken ankle which will keep Mitch on crutches for at least two months and probably longer. Wife HELEN also being a bread winner in the family will at least find dinner on the table when she gets home now. By the time Mitch gets back to work maybe the age-old question of whose job is the hardest will be settled.

Items of Interest

Once one lives in our town there seems to be no getting away from it for good. BILL and KATHY HIGGINS, daughter and son-in-law respectively of MR. and MRS. DEAN SCHREIBER of Knowles avenue are no exception. They have resided in Sebastapol for a while but are now returning to the old home town and will live on Hillside boulevard. Welcome home, kids, from all the folks.

BOY SCOUT TROOP No. 243 has now been organized. The meetings are held at 7:30 p.m. every Thursday. The scoutmaster is MR. E. A. PIREIRA who really has quite a job on his hands. The turnout of boys who want to join this troop was far beyond the expectations of those who are in charge and it speaks well for the youth of the town that their interests lie in this direction. One hears so very much about the few delinquents who do give trouble, I thing it is really time we hear about the boys who want to have good times the right way. Of course it takes more than the boys to make a go of an organization such as this, so our thanks along with those of the rest of the mothers to Mr. Piriera and his able assistants and best wishes are extended for their future in this good work.

We have a very happy and excited new auntie in the neighborhood. MRS. HAZEL SULLIVAN of San Diego avenue has just been informed that she is the aunt of twins. The youngsters are both girls and have been named ROBIN & RENA. Of course Hazel will have to content herself with pictures for awhile at least as they live back in the middle west but it won't be long before she will be seeing them.

The Stumble Inn at Felton was the scene of much activity this last weekend. MAUD and ART ALVISO plus the AILEN BRUSHES and family left Friday night for their favorite vacation spot. Art will be back in time to guide the kids across the street and of course the children consented to come home as there are only a few more weeks of school left before they can take off again and stay longer this time.

Taking off on a long planned fishing trip to Markleyville and this time coming home with something to show for his efforts was ROY COMBS. Just to make sure that one and all believed him he brought sixteen trout, the largest one 18", which he has in the freezer in the store to show to one and all who might have any doubts as to his abilities. Of course son-in-law BOB MILLER was there too but so far I haven't heard what he got.

Ben Lomond was the spot that saw some of the neighbors over the holidays. MR. and MRS. BUD ERICKSON and sons, CHARLES and RICHARD, had a good time at their cabin there. Of course they wandered into Boulder Creek where they met up with more of the vacationing neighbors.

Servicemen

The most exciting news came to MRS. R. E. NEGHERBON last week. She heard the phone ring and believe it or not it was her son RICHARD NEGHERBON JR. of the U.S.S. Hopewell which was at the time 1,000 miles at sea from San Diego. He was calling on the ship to shore phone and was one of the lucky ones to get their call through. He has since arrived in port at San Diego and is expected home at any moment. He has now attained the rank of Petty Officer 3/c and has his choice of remaining with the Hopewell or transferring to another ship. Richie has many friends in our town who are all glad to hear that he is now home after many long months at sea. He also has acquired five service ribbons for different theaters in which his ship has been.

Had a long overdue letter from Germany last week. A 2/c ROBERT MARTIN of the U. S. Air Forces writes that time passes so very quickly over there that he has served over half of his overseas duty and is one the home stretch now. He likes it there and has also found the people most friendly. According to him they really try to make one feel at home. To make things even nicer one of the boys he had gone through basic with has recently been assigned to the same base. The funny part of it is that the boy originally came from Germany and came to the U. S. after the last war. Of all the places KARL RECTOR least expected to be sent was a few miles from where he grew up.

Heard from A 2/c SYL CRUZ JR. of Biggs Air Force Base in El Paso, Texas, last week. Syl is just sweating out the days until he hears the news that will make him a civilian again. He won't get any more leave until then but that doesn't bother him any as he knows that the next time he gets home it will be for good.

A 3/c EDWARD F. HARPER has now returned to duty at Lackland Air Force Base in San Antonio, Texas, and reports that the weather is near 100 and hotter than is necessary expecially as he is a medic. Seems when the basics are sent out on maneuvers a medic must go with them in the heat and he has been chosen for the job. All he has to do is take care of anyone who can't stand the heat but what Eddie would like to know is—who is going to take care of him; he can't take it so good either. Who could?

How many of us bought those bright little poppies that our neighbors were selling last week? How many of us really understood or even stopped to think just what each and every one of those little flowers represented? It was the Memorial Day weekend that we had so much fun on but there are still boys in the hospitals that didn't get away for a day let alone a weekend. Cards, letters, books, visits, even if you can't go send something, they are all appreciated by the boys. All one has to do is to drive down to San Bruno and one is every well reminded that the debt we owe can never be paid. If we send just one card or letter a week to a boy it helps a little. How about it folks?

News and Views

A few weeks ago there was an item in this column concerning lost (?) articles at the Community Center. Contrary to the way things generally happen—something was done immediately about the situation. As I understand it they have made arrangements for each child to have his own little cubbyhole for his clothes and the door is locked until after the event of the evening is over. Thanks from all the many mothers whose children attend the Center for the prompt action. There will be so much going on there this summer for the children and we are grateful for it, nevertheless it is a relief to know that the youngsters will come home with the same clothing they left with.

Three very disappointed boys returned home from Big Basin last Sunday. Seems they left Saturday and by the time they arrived there it was filled up and the sign said NO VACANCY. Better luck next time is wished LOUIE COOPER, GENE and brother BOB SUPANICH in their efforts to go camping.

MR. JOE CASTELLANO and twin daughters JOANNE and DIANE loaded their bags and fishing poles in the family car and took off to Los Banos for the holidays. Sister DOLLY had already left to spend the weekend in Boulder Creek with friends and mother MARY and little SANDY really had quite a time just visiting the other members of the family who preferred to stay at home. The wanderers all returned home Monday night tired but happy and found the stay-at-homes happy to see them.

Boulder Creek saw the ROY BEECHERS and FAMILY having a good time over the holidays. Seems a good part of the town all met on the main street and it really seemed like home.

MR. and MRS. LOUIS HAEGLER are the proud and happy parents of a new baby born Friday, May 28th. The young man checked in at Stanford Lane hospital at 8 lbs., 7 ozs. and by this time has been royally welcomed home by his sisters DEBORAH and LAURIE who had ordered a baby brother. Mrs. Haegler is the sister of Mr. George Bowen of Theta avenue who also welcomed a new member in their family not too long ago.

A very surprised MRS. SYLVIA HILL was the guest of honor at a baby shower recently. Seems she had given notice of quitting at the telephone company due to the impending arrival and what better way for her co-workers to have a good time than to give her a shower. She received many beautiful gifts for the expected baby and will now join the rest of us in being a lady of leisure.

Well, folks the month of May has seen its last days and June will bring a lot of news as to birthdays and of course graduations will take place in many of the families. June will also bring the last day of school—isn't that a happy thought—and vacations are in the offing for all of us. Let me know where you are going or where you have been so the rest of the folks can enjoy the news too. The phone is still PL. 5-6482 and I'll be waiting to hear from you. Until then—"Bye Now."

SEAGRAVES URGES ELECTION OF MAN WILLING TO LEARN

District Attorney Candidate Roy W. Seagraves, 20 years a lawyer, a former deputy district attorney and municipal court judge, stated this week, "We need a man in the office of district attorney who is old enough to know and young enough to learn. What I have learned in 20 years of experience, and what I will continue to learn, I shall put to work, and I will fight for the rights of the people of San Mateo county and for the decency of environment to which they are entitled."

Seagraves' candidacy for the office of District Attorney has been endorsed by the Labor League for Political Education; by the Brotherhood of Railway and Steamship Clerks; the Machinists Non-Partisan League, the affiliated Florists, Landscapers, Golf and Nursery Workers, the Lafayette club, and by friends, neighbors, associates and prominent civic leaders throughout San Mateo county.

TEACHERS GRANTED SALARY INCREASE

The teachers of the Jefferson Union High school district were awarded salary increases amounting to $200 less than they had requested at the meeting of the board of trustees held May 26.

According to the new schedule the minimum salary for teachers with a general secondary credential is $4000 and the maximum is $6000. The teachers requested that the maximum be made $6800 to $7000. The amount granted is $200 short of the figure asked.

The annual increments are $200 and an additional $200 is allowed for those holding the equivalent of a masters degree. Teachers holding a special credential which requires but four years of college training receive $200 less than those holding a general secondary credential.

SM College To Present Spring Concert Tonight

College of San Mateo Music department will present the annual spring concert featuring the various music organizations of the department tonight (Friday). The public is invited as guests of the college to attend the concert at 8:15 o'clock in the San Mateo High school auditorium.

The program will open with selected marches played by the C.S.M. Band. The feature number of the band music will be the "Atlantis Suite."

Howard A. Kay, conductor of the band will also direct the College Orchestra in Beethoven's Symphony number one and the Emperor Waltz by Strauss.

The final numbers of the concert will be choral selections by the A Cappella Choir directed by Fredric Roehr, chairman of the music department.

Ted Pretzer To Receive Bronze Star For Valor

Theodore "Ted" Pretzer, candidate for the assemblyman for the 25th district, has received a third honor for valor on the battlefield, according to word received Friday, May 28, from Assistant Adjutant General Rodriquez, Sixth Army Headquarters.

The Bronze Star medal with letter "V" device has been awarded him for "heroic achievement" and "outstanding performance" on February 14, 1951, while fighting in the Korean front lines. In the engagement Pretzer sustained the last of a series of critical wounds which were received both in Korea and the European theater during World War II.

Alemany Signal Work Continues On Schedule

Work is progressing on schedule on the Alemany signal lights according to S. E. Hendrickson, construction engineer with the Department of Highways.

According to Hendrickson the project, which is costing the taxpayers approximately $86,000, will be completed late in August if work continues to progress on schedule.

Fight Against The Ice Box Menace To Start Next Week

A new program to fight the menace of children suffocating in discarded refrigerators, freezers or airtight cabinets has been inaugurated by the National Electrical Manufacturers association. During a "Discarded Refrigerator Freezer Safety drive."

The association offered the following suggestions for rendering such objects harmless: Remove the entire door by removing the hinges; Removing the latch or latch-stop with a screwdriver and ripping the rubber gasket from the door.

The City Council of Daly City passed an ordinance, prohibiting the abandonment of refrigerators, ice box and air tight containers without removing the door, snap-lock or other locking device from the said container.

The new campaign suggests that if the discarded appliance is to be used for general storage it may be safely used for such if holes are first drilled through the body of the container and the gasket is removed. If the box is temporarily stored in the basement or garage, it should be turned so that the door faces the wall and can't be opened by children.

The drive, to be staged from June 6 to 12, is being supported by the Household Refrigerator and Farm and Home Freezer sections of the NEMA.

Local persons having in their possession a container, refrigerator or ice box that has not been properly fixed for storage is punishable by a $300 fine or 30 days in jail or both according to the January ordinance.

Noonday Rock of the Farallon Islands, off San Francisco, is a submerged peak named for the clipper "Noonday," which struck it and sank there in 1863.

BROADMOOR NAMES NEW COMMITTEES

At a special meeting last Thursday held at the home of President Leroy Krueger, the Broadmoor Property Owners association named new committees to serve for the coming year.

Following are the committees and their members: Tract restrictions and building permits, Maryann Read; finance, Joseph Belli Jr.; erosion, Vince Cauchi; new building, Ernie Scott and Grant Holman; education, Dick DeBerry; trees, Mrs. Read and Cauchi; playgrounds, Vi Murphy; community bettermen, De Berry; community center rental, Ross Hilton; parliamentarian, Grant Holman; bookkeeper, Mrs. Rena Costa; police reports, Belli; fire reports, Cauchi; portals, Belli; publicity, Mrs. Read, Belli; transportation, Mrs. Read, Holman and Mrs. Murphy.

On hand at the meeting was John A. Sullivan, attorney, representing the Westmoor transit service, a private bus line seeking to operate through Broadmoor and Westlake areas. Sullivan explained complete operation of his client's bus system to the board.

NO TRAFFIC INJURIES IN DALY CITY OVER THREE-DAY HOLIDAY

Daly City police announced early this week that the city observed the three-day Memorial Day weekend with no traffic injuries, despite the fact that the National Safety Council had predicted high death rates for the entire nation.

Daly City had a traffic check on Friday night, and other localities in the Bay Area reported similar action during intervals over the three-day weekend.

One person was arrested for drunk driving in Daly City.

Beckwourth Pass was discovered in 1846 by James P. Beckwourth, trapper, trader and guide.

Photos Of Knight Visit Displayed

Photographs of Governor Goodwin J. Knight and many of the county residents and dignitaries who turned out to meet him during "Shake Hands with Your Governor Day" in San Mateo county are being displayed in the windows of Knight-for-Governor headquarters, where they may be seen through June 8, date of the primary election, according to Raymond J. Daba, county campaign chairman.

Photographs on view in the windows of north county Knight headquarters include those taken at Shoreview, San Mateo, Burlingame, Millbrae, San Bruno, South San Fracisco, Daly City and Westlake.

OUR NEIGHBORS—THE SEAGRAVES FAMILY

We who live in Ray Park are mighty proud of the Seagraves family.

As "next door neighbors" we have found them, from Roy to their pooch, Gravy, to be a grand and typically American family.

Both Audrey (Mrs. Seagraves) and Roy have always taken an active part in the betterment of our community — a deep interest in the welfare of our youth and in the future of our County, State and Nation.

ROY SEAGRAVES is a candidate for DISTRICT ATTORNEY and we are of the opinion that he will administer that office capably and well.

A vote for Roy Seagraves is a vote for a better county in which all of us may live, work and play.

(Political advertisement paid for by the neighbors of Roy Seagraves—Mrs. Wm. Haas, treasurer.)

Thinking Democrats Say..

KNIGHT is RIGHT FOR CALIFORNIA

- An outstanding executive.
- A political realist who neither "views with alarm" nor promises any short-cuts to Utopia.
- The overwhelming choice of both Democrats and Republicans in 1950.
- Unreservedly opposed to any repressive legislation.
- Endorsed by organized labor—Democratic organizations—city and county officials throughout the state.
- Fought for and won legislation increasing unemployment insurance benefits.
- A deep, abiding faith in California and its future greatness.

City Discusses Hiring Professional Planners

The City may retain a professional subdivision planning firm to lay out a workable subdivision scheme for the city.

This idea was put forth Tuesday night at a study session of the city council by Councilman Sanford Vickers.

Vickers said he thought the company would charge a base fee of $50 a month for the services.

Argument in favor of establishing a subdivision plan was the fact that the city has had to amend ordinance 294, concerning subdividing, everytime a property owner comes up with a request that doesn't quite comply with the ordinance.

New Arrivals

SANDOVAL—To Mr. and Mrs. Joseph Sandoval, 198 Acton street, May 11, a son.

ALHADEFF—To Mr. and Mrs. Charlie Alhadeff, 866 Brunswick, May 23, a daughter.

BOGDAN—To Mr. and Mrs. Peter L. Bogdan, 166 Thiers, May 22, a son.

GROSS—To Mr. and Mrs. Carlos R. Gross, 326 Irvington, May 14, a daughter.

PAPPAS—To Mr. and Mrs. John H. Pappas, 336 Peoria street, May 24, a daughter.

Public Invited To Social In Broadmoor

The public has been invited to attend a social at 700 White street in Broadmoor Tuesday night at 8 p.m.

The event is sponsored by the Lake Merced Auxiliary.

Games will be played, prizes given, and a free snack offered later in the evening.

There is no admission fee.

JEFF HIGH PTA HAS ANNUAL PICNIC

On Thursday, June 3, the executive board of Jefferson Union High school PTA held their annual picnic at the home of Mrs. Ida Hanley at Bethel Island. Mrs. Hanley is a former past president of the Unit.

A special bus was chartered for the day to take forty-one friends and members to visit with Mrs. Hanley, Mrs. Pearl Higgins and Mrs. Irene Williams, also former residents of Daly City, according to Mrs. T. R. Hopman, publicity chairman.

St. Michael's Ladies Aid To Hold Whist

The monthly whist game sponsored by the Catholic Ladies Aid society of St. Michael's parish will be held on Thursday, June 10, at 1:30 p.m. in the school auditorium, 55 Farallones street.

The whists are for the benefit of the church relief work projects. Committee members are, Mrs. Nellie Wallace, Mrs. Vera Scarbrough and Mrs. Elizabeth Suterland.

Village Notes

By Martha Pinney

87TH STREET

Happy Birthday to Don Wolfinger who was 10 years old on May 29th.

Mr. and Mrs. Edward Craig went to Salt Point to fish over the weekend but the wind was so strong they had to come home a day early. That wind must have been strong to have driven such ardent fishermen as the Craigs home.

BRADLEY

Mr. and Mrs. Joe E. Elliot of Redlands, Calif., are visiting with their daughter-in-law and grandchildren, Mrs. Peg Elliot and Lee, Jay and Craig.

LOUVAINE DRIVE

Mr. and Mrs. Ray Litchenberg and children, Raymee and Beth, spent the past weekend at Yosemite. They arrived at the park at 10 a.m. on Saturday but still did not beat the crowds. However, the Litchenbergs made out as they had their camping equipment with them.

Jack and Lorraine Bjorkquist and sons spent Sunday, May 30th, at Middletown.

Mr. and Mrs. Sam Chesky and son, Tommy, spent the holidays at Paso Robles.

Ray and Aleen Johnson spent the holidays in Fresno at the home of Aleen's parents, Mr. and Mrs. Al Brown. On Saturday night Ray and Aleen attended an alumni reunion of Aleen's high school class.

MADDUX DRIVE

Happy birthday to Douglas Hilton who was one year old on June 1st.

MIDWAY

Mr. and Mrs. Doug Fish and daughter, Linda, have moved to San Mateo.

MANILA

The two Fitzgerald brothers celebrated their birthdays jointly on May 30th. Gene was 11 years old and Ricky was 5.

NIMITZ

Mr. and Mrs. Harvey Daitz spent the past weekend in Tuolumne attending alumni functions.

Mr. and Mrs. George Nyburg and children spent the holidays in Oroville.

LOCAL COUPLE RETURN FROM HAWAIIAN VISIT

Mr. and Mrs. H. W. A. Rickmann, 421 San Diego avenue, returned recently from a 21-day vacation during which they toured the Hawaiian islands, and Mrs. Rickmann visited many of the island units of the Ancient Order of Foresters.

While in the islands the Richmanns attended a broadcast of Hawaii Calls and a concert by the Royal Hawaiian band. They toured the islands of Honolulu, visited the mausoleum of the royal family, saw Pearl Harbor and visited schools built with the funds from the estate of one of the royal princesses. They were frequently honored guests at parties given by island officials of the Foresters.

In Maui Mrs. Rickmann was presented the Key of Maui by the mayor, Eddie Tam. Mrs. Rickmann, grand treasurer of the Foresters, was the first grand officer to visit the islands in many years and the only one to visit Maui. The local pair were escorted on a tour of the newspaper and broadcasting offices, the sugar mill and the famous water works.

Leaving Maui the Rickmanns went on to Hilo where they were given a tour of the volcanoes and visited a native village.

The trip was Mrs. Rickmann's first to Hawaii, Rickmann had visited the islands on four previous occasions.

The lowest temperature ever recorded in San Francisco was 27 degrees f.; the highest 101.

WASHINGTON STREET

Mr. and Mrs. John LePine and children spent the holidays at Yuba City.

Mrs. Doug Alexander is home from the hospital after minor surgery.

Gordon and Norma Peters and children, Donnie and Linda, are in Downeville for their vacation.

Mary Terry spent a night in the hospital as a result of a fall against a fence that cut her forehead.

Pershing PTA Hears Local Recreation Plans For Summer

"Drowning is the second greatest cause of death of the youth of our country," said David Jeffers, chairman of the Red Cross volunteer speakers' bureau, at the June 1 evening meeting of the General Pershing PTA. To stress the need for the Red Cross water safety program, Jeffers went on to list the drownings in this area on just one recent weekend.

"Only about seven per cent of those who enjoy activities in or near the water know how to swim really well," he said. To teach more people how to swim, the Red Cross has inauguarated swimming classes all over the U. S.

Jeffers explained the local swimming class program as it has been set up for the coming summer at Jefferson High school pool. He concluded the talk with a film on learning to swim.

Before introducing Jeffers, Mrs. John Eason of the Daly City Recreation commission, told of the various activities planned by the Recreation Department to keep the youngsters occupied during the approaching vacation.

Frank Prisco, cubmaster of Pack 62, asked for solicitors for the fund-raising drive Thursday evening, June 3, to establish a local Boy Scout organization.

Mrs. Robert Keith outlined the Girl Scouts' drive to obtain funds to equip and build their new camp for the Girl Scouts of North San Mateo county.

Members present voted to hold a hot dog sale at the school during the noon hour, Wednesday, June 9, the proceeds to go to the Girls Scouts for their camp.

Mrs. Raymond Eiden said that she can issue children's charter membership for the educational program on television channel 9, KQED, for one dollar, as well as the adult memberships for $10. The children will receive buttons showing their membership. Deadline for this campaign is June 4.

JUNIOR SPONSOR PINS FOR KQED ON SALE TONIGHT

KQED junior sponsor membership pins, costing $1, will go on sale in the Broadmoor area tonight (Friday) from 7 to 9 p.m.

James L. Snell PTA members will take part in the door-to-door drive for memberships in the education television station.

A DEMOnstrated FACT

1) Congressman Younger (Rep.) introduced a bill to exempt tax dividends.

2) He voted against increasing the additional exemption of $100 for each dependent of a taxpayer.

3) He voted for the tax bill which provides for exemption of tax dividends in part and tax credit in part.

WHAT ARE THE EFFECTS?

If a taxpayer has a wife and two children and makes $4,000 per year he would have saved an additional $80 in taxes at the minimum rate of 20% taxes. But it was defeated with Congressman Younger's help!

But any single person who owns stock and gets dividends will enjoy a partial exemption of these dividends and also a credit against taxes. All going to make for much lower taxes.

Approximately 60 millions of taxpayers could have used the additional $100 personal and dependency exemption. Only 6 millions of persons own stock and get dividends.

This is class legislation. Do YOU belong to the favored class?

SO . . . it would appear that Congressman Younger and his Republican friends have more dividends than dependents.

HAD ENOUGH? Vote DEMOCRATIC across the board.

KNIGHT IS RIGHT

FOR CALIFORNIA

THE AFL SAYS: "There is only one candidate for Governor who is worthy of Labor's support — Goodwin J. Knight!"

TAXPAYERS SAY: "Knight doesn't just talk a good job. He does it. He said he wouldn't ask for more taxes while millions lie in the State vaults — and he didn't. He submitted a careful, constructive economy budget — and won Legislative backing for it."

BUSINESS SAYS: "California's governmental training system has given Goodwin Knight 7 years of experience, as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Governor Knight's record proves that it works in Government!

Let's not trade a man who knows the job — for a man who's willing to learn."

PARENTS SAY: "Governor Knight cracked down on the youth-destroying narcotics traffic and made the first move in 20 years to clean up liquor control."

GOVERNOR KNIGHT SAYS: "Government's true function in a democracy is not to rule, but to serve — with humble respect for the God-endowed rights of each individual citizen."

DEMOCRATS SAY: "The Cornerstone of Democratic Government is not the Party — but the Man. And this year the Man is Knight!"

ON ELECTION DAY — JUNE 8 — ALL CALIFORNIA WILL SAY KNIGHT IS RIGHT FOR CALIFORNIA!

Sponsored by the Knight for Governor Committee and Democrats for Knight

Seagraves Gets The Lafayette Club Endorsement

Roy W. Seagraves, candidate for District Attorney of San Mateo county seeking election at the primary polls next Tuesday, received official endorsement this week from the Lafayette Club of San Mateo county.

Lafayette Club members select candidates to receive the Club's endorsement by a secret poll vote participated in by members present at a designated meeting.

District Attorney Candidate Roy W. Seagraves has been endorsed by the following: The Labor League for Political Education of San Mateo county; the Brotherhood of Railway and Steamship Clerks; the Machinists Non-Partisan League, and the affiliated Florists, Landscapers, Golf and Nursery Workers.

MISS HANRAHAN TO SPEAK AT MOTHERS' CLUB LUNCHEON

Miss Katherine Hanrahan will speak on "What is my Will Today" at a luncheon given by the Ocean View Mother's Club, Clubhouse, Capitol and Montana streets, 12:15 p.m., Wednesday.

Those who will attend are the Merced Heights and Excelsior Mothers' Clubs, Sheridan, Farragut, Longfellow, West Portal PTAs, St. Michaels' Mothers' Guild, Randolph Congregational Ladies Guild, Ocean View Improvement Club, Ocean View Play School.

MOTHERS' CLUB TO INSTALL OFFICERS WEDNESDAY NIGHT

Mrs. Anthony Ricci will be installed president of Our Lady of Perpetual Help school mothers' club in the final meeting of the school semester to be held Wednesday evening at 8 p.m.

The installation will be a candle light ceremony in the school hall. Mrs. Louis Theibaut will present Mrs. Ricci with her gavel. Installing officers will be Mrs. Achille Liberti and Mrs. Merwin Cresta. Hostesses will be the fourth and seventh grade mothers. Chairman will be Mrs. James Traynor.

Other officers to be installed are: Mrs. William J. Carrington, vice president; Mrs. Milam Stanley, recording secretary; Mrs. Garth Sallade, corresponding secretary; Mrs. John Mosman, treasurer; and Mrs. Andrew J. Chrystal, auditor.

Attending the ceremony will be Father Norman Allen, moderator of the club, and the Sisters of St. Joseph of Orange.

Mrs. Ricci is a member of the Druids and the Catholic Daughters. She has three children enrolled in Our Lady of Perpetual Help.

Although Com. Robert E. Peary was at the North Pole on April 6, 1909, the world did not hear of his discovery until September 6.

LAKE MERCED VFW POSTS COLORS SUN.

Lake Merced Post 9921, VFW, and the Auxiliary posted their colors in Memorial day services Sunday at Golden Gate cemetery.

The following persons were in the group participating: Mrs. Lloyd Eagleton, Arthur Nelson, Mr. and Mrs. Dennis Dunn, Mr. and Mrs. Godfrey Woods, Mr. and Mrs. Lawrence Magoon.

Saturday the end-of-the-month teen-age dance was held at the Broadmoor community center, with the event reported a success. The dance was chaperoned by the following couples: Mr. and Mrs. J. R. Coulter, Mr. and Mrs. Woods, Mr. and Mrs. Dunn.

Double Springs was the first county seat of Calaveras County, established late in 1849; the original courthouse was built of lumber shipped from China.

BAYSHORE UNIT OFFICERS HONORED AT LUNCHEON

Honoring officers and chairmen who assisted her during her term as president of Bayshore PTA, Mrs. Dominik Caloiaro was hostess at a luncheon in her home May 27.

Each member received a gift of appreciation for their assistance. Attending were: Miss Dorothy Fitzgerald, Miss Natalie Lipman, Mrs. John Pleskach, Mrs. Wayne Liebert, Mrs. Marse Datzman, Mrs. Earl Robertson, Mrs. W. L. Cotton, Mrs. F. J. Barbara, Mrs. George Tomich, Mrs. John Riley, Mrs. Kenneth Hansen, Mrs. Glenn Butler, Mrs. Henry Filarski, Mrs. Reca Willis, Mrs. McMalone Counts, Mrs. L. C. Malloy and Mrs. E. M. Hanschman.

Calling her final executive board meeting to order May 28, Mrs. Wayne Liebert, newly elected president of the unit, expressed the importance of continuing the drive for new members throughout the summer months. "Those of us who intend to remain in town can do much to further parent-cooperation in our school when the fall term commences," said Mrs. Liebert. She requested that all members who can possibly assist in this project, contact her at their earliest convenience.

Mrs. Vernon Costa, chairman of the graduation committee, reported that all plans are now completed for this years graduation. A luncheon will be given to the graduates June 10 in the school auditorium, to be followed by a dance on June 16. Both affairs will be sponsored by Bayshore PTA. Assisting Mrs. Costa are: Mrs. George Tomich, Mrs. Dominik Caloiaro, Mrs. James Doyle, Mrs. Russell Gearhart, Mrs. Marse Datzman, and Mrs. Ruetz Buchan.

SCOUT TROOP 63 TO SPEND TWO WEEKS CAMPING IN JULY

Boy Scout Troop 63 will spend two weeks at Camp Roayenah late in July, according to the report made by Scoutmaster Bill Bradshaw at the Friday night meeting of the Old Glory Post 2044 Veterans of Foreign Wars.

Bradshaw and Scout committee chairman of the post, Blain Glendenning, have already donated one weekend to assisting with the readying of the camp for Scout trips this summer.

Post members were informed that although the reports are not all in yet, it is expected that the poppy sale will boost the hospital fund generously.

Morgan Blasts The Incumbents For Poor County Fire Protection

Les Morgan, candidate for supervisor, today blasted the incumbent members of the board of supervisors, for "failure to provide adequate fire protection in northern San Mateo county."

Morgan, who is a resident of Burlingame said that aside from three "excellent fire districts departments, in Brisbane, Colma and Bayshore, the county must send equipment from Belmont."

"The incumbents have long ignored the fact," Morgan stated, "that the northern part of San Mateo county has been steadily increasing in population.

"Many of the unincorporated areas in northern San Mateo county have fires, but by the time the truck gets there from Belmont the blaze is either out of control or has ravaged a large area of land."

A DEMOnstrated FACT

President Eisenhower has claimed that his administration has effected the greatest tax reduction bills in history. He specifically used figures in the SEVEN billions to illustrate his claim.

THE FACTS ARE . . . the increases and extensions of tax bills have RAISED the American tax bill by ONE BILLION FIVE MILLION ($1,005 millions).

The excess profits tax bill of 1950 was extended six months, the corporation tax rates have been extended (or will be) for at least six months. Excise tax rate increases, that were temporary, have been extended.

The personal income tax reduction on January 1, 1954, was solely because the increased wartime rates expired on that date. The Republicans had nothing to do with it.

Don't be misled . . .

Vote DEMOCRATIC across the board.

"An Experienced Legislator with Proven Ability"

ELECTION: TUESDAY, JUNE 8th

88 Drivers Receive Citations During Traffic Check Here

A total of 850 cars were stopped by the Daly City police Friday night between 8 p.m. and midnight during crackdown on holiday driving.

According to the police report 88 persons received citations for violations of the vehicle code. Of that number the greater number of the tickets, 55, were for improper lights.

The police reported one drunk driver, five invalid registrations, three invalid operators licenses, and 22 mechanical defects.

The check was carried out by officers Les Bastedo and Gerald Schaeffer with the aid of eight auxiliary policemen.

Carleton Appointed To Broadmoor Police Department

George Carleton, 33, of 723 Stewart avenue, was appointed to the Broadmoor police department by the Board of Police commissioners at the board meeting on Tuesday night.

The board selected Carleton, a member of the reserves for a year and formerly a regular policeman in Pacific Grove, from a group of eight applicants.

Carleton will take over his new duties on July 1. His appointment increases the number of men employed by the department to five full time officers including the chief.

CHILD'S REPORT OF DROWNING BOY STARTS BIG SEARCH

The Broadmoor police, the Daly City police and the Daly City fire department combined efforts Tuesday to search for Dennis Baird, 14, 708 Stewart street, who was reportedly drowning in the Broadmoor-Westlake storm drain.

According to Broadmoor Police Chief Ray Savage one of the youth's friends rushed to inform Mrs. J. Baird that her son had fallen in the drain and was drowning.

Savage and Jack Baird, the boy's father, rushed to the scene and began a complete search of the area. Savage stated that over 200 people watched as search progressed.

Dale Williams of the Doelger Construction company called most of his men off their jobs to help locate the boy, Savage said. The Daly City police and fire departments responded to aid in the hunt.

Approximately 45 minutes later young Baird returned to his home. He said that he had not been near the drain but had been in one of the local stores the entire time the alarm about him had existed.

"I wish to thank the Daly City police and fire departments and the men of the construction company for answering the alarm and helping the Broadmoor police. I really appreciate their wonderful cooperation," said Savage.

Savage stated that he felt that the report that young Baird was drowning was the result of an overactive childish imagination.

McDonald Winds Up Extensive Campaign

Supervisor Edward R. McDonald, who seeks re-election to his present post at the June 8th primary, was this week winding up an extensive county-wide campaign jaunt during which he talked to residents and community leaders in practically every county area.

Supervisor McDonald said that he was particularly appreciative of having gained the support and endorsement of the county's labor organizations, a majority of the county's weekly and daily newspapers, taxpayers associations and community improvement clubs.

CREEDON EXTENDS THANKS TO WORKERS

Assemblyman Daniel J. Creedon, campaigning for re-election on both party tickets at the June 8th primary, this week expressed his thanks to the hundreds of citizens who have voluntarily worked in his behalf during the past two months.

Assemblyman Creedon said that the activity of his campaign committee will be the important factor if both party nominations are gained for him at the polls next Tuesday.

The Assemblyman pointed out that the 25th District which he represents in the state legislature extends from 19th avenue, San Mateo, north to county line. It includes certain segments of the coastside from Sharp Park north.

Goods valued at $19,131,089 were imported through the San Francisco Customs District in 1952 from Australia.

SPORTSWOMEN TO MEET ON JUNE 9th

The Daly City Sportswomen will hold their next regular meeting on June 9, according to Naomi Stone, publicity chairman.

Surprised guest of honor at the past meeting of the group was Irene Scally. Mrs. Scally was honored with a pink and blue shower. Bingo was played and refreshments served, said Mrs. Stone.

Spark plugs, once the victims of carbon, now have a new enemy, according to the National Automobile Club. That is overwork. Plugs are so good these days and the engines in which they perform are so much better than they used to be that they seem to go on forever. The plug point that has been used for many miles, however, may be as clean as a whistle, but having fired millions of gasoline charges, it becomes thin. In this condition, it get red hot after a few minutes of use and causes serious misfiring. A new plug will assure much better performance.

Midgets Lose Title In League Playoffs

OLPH Midgets had the CYO league crown swiped out from under them Monday as they were edged by Epiphany, 6 to 2, in the league playoffs.

Saturday OLPH topped St. Elizabeth, 4 to 3, earning the right to play Epiphany for the championship. The three teams wound up the regular season in a tie for first.

Although the Midgets outhit Epiphany by the same margin they lost by, 6 to 2, they were plagued by errors and walks.

Joe Millett started for the Midgets, allowing one hit, five walks and four runs while striking out three. He was relieved by Larry Kane, who allowed only a single hit and walk, struck out two and allowed two runs.

Beezie Krohn pounded out three for three to lead OLPH hitting against the Epiphany club.

Mike Cubic, Kane, and Bill Whalen picked up singles.

In Saturday's game the Midgets had to come from behind one run to top St. Elizabeth.

Trailing, 3 to 2, in the last inning, George Claus led off with a walk, Krohn followed with another walk and both stole bases. Skipper Crudo singled in Claus with the tying run, and Krohn moved to third. With Kane at bat, the Elizabeth's catcher tried to pick Krohn off third, threw wild and Krohn crossed the plate with the winning run.

Skipper Crudo led OLPH hitting with two for three. He also was cited for a top performance on defense at second base.

Kane tossed for the Midgets, allowing only four hits, an equal number of walks, and striking out three.

In the Midgets one year of competition, they have played for the title in two leagues.

Raiders Confident As DC Recreation League Approaches

With the acquisition of Robert Masie, experienced hurler from the ball fields of Pennsylvania, the Daly City Raiders confidently await the opening of the Daly City Recreation League in the ten to twelve year old class.

The team so far has been forced to play way beyond their age and experience, but even with this type of competition they have been gradually rounding into shape. In Billy Khinoe, Johnny Jungelis and Anthony Guillory they have as fleet footed an outfield as can be found. Billy Reynolds shows tremendous promise at third base and Sabin Eastman has consistently performed creditably at first base. A merry battle is being waged for short stop and second base positions. So far Ronald Evans has an edge for second base but he is being closely crowded by Charles Aiello, Ted Saumer and Johnny Patton. Mike Craven at present is alternating at short stop with Joe Guillory and Robert Masie. Among those trying out for catching are Mike Wills, Lewis Guillory and Ronald Delfine. Backing up Robert Masie as first string pitchers are Anthony "Fireball" Guillory and nine-year-old Johnny Riddle. Ted Saumers will act as spot "relief" hurler.

The Arrows, another ten to twelve year old hardball team, is also being formed. Player-manager Lynn Akeridge is on the lookout for promising material. Art Banes and Richard Monti are co-captains in this venture. This week the Arrows will field a team against the Raiders in several practice games.

MEET IS POSTPONED

Regular meeting of the Daly City planning commission, scheduled for June 8, has been postponed a week because of the general election to be held on that date.

Fred Bertetta, chairman of the commission, said the meeting would be held June 15.

KROHN PACES MIDGETS IN LEAGUE BATTING

As the CYO league drew to a close last weekend with the championship playoffs, Beezie Krohn wound up high in the batting parade for the OLPH Midgets, swatting a healthy .428 for the season.

The hard-hitting first basemen got six hits in 14 trips to the plate.

Close behind was Skipper Crudo, who had six hits in 16 attempts, for a .375 mark.

Final batting statistics for all members of the OLPH club were as follows:

	ab	r	h	w	k	avg.
Krohn	14	8	6	3	2	.428
Crudo	16	4	6	2	2	.375
Cubic	7	0	2	2	1	.285
Kane	15	4	3	2	2	.200
Whalen	16	5	3	4	1	.187
Claus	14	8	1	5	1	.071
Joe Millett	17	3	1	0	2	.058
Kennedy	5	3	0	1	4	.000
Vinal	8	0	0	1	2	.000
Kordulas	8	1	0	4	4	.000
Jim Millett	6	1	0	2	1	.000
Pearlman	2	0	0	0	1	.000
B. Kane	2	0	0	0	0	.000

Johnson's Humbles Cherolis Nine In Marchbanks Game

Johnson's Tamale of Westlake humbled Cherolis' Nursery Sunday, 22 to 1, in a spring league game held at Marchbanks park.

The tamale nine had a ready supply of basehits awaiting Cherolis mound staff, as they walloped a total of 20 safeties.

Hokkmeier, Flowerday and Morena paced the stick attack for Johnson's, while David Milani was a standout on the mound, pitching shut out ball for seven innings.

It wasn't until the eighth frame that Cherolis could produce a hit, finally pushing across their lone tally.

DELBON IS NAMED TOP JEFF ATHLETE

Don Delbon, an All-PAL performer for three consecutive years and versatile competitor in all sports, was named all-around athlete Wednesday night at the annual father-son banquet at Jefferson High school.

Grid Coach Joe McGrath, in presenting the award to Delbon before a crowd in excess of 200 persons, cited the fact that Delbon had won 10 letters in his high school career, six of them on varsity teams. Besides making All-PAL in nearly every season and sport, Delbon was named prep-of-the-year in basketball this past season and was also named to the All Northern California second team.

There were a total of six players in contention for the all-around-athlete honor. In addition to Delbon, there were John Madden, Ray Rosa, John Geertsen, Wally Honeywell and Jack Thur.

The ballotting later narrowed the list to Delbon and Rosa, who both had won 10 school letters.

Delbon got the edge for his selection to the many All-Star teams and his part in leading three teams to championships.

Named as outstanding in individual sports for the year were the following: Football, Rosa, Thur; basketball, Delbon; track, Honeywell, Larry Allen; swimming, Jim Galindo; golf, John Geertsen; baseball, Leo Villar.

Jack Shaw, Tidewater sportscaster, was guest speaker and told the group some of the inside details of sports announcing.

The meal, prepared by Mrs. Lowell Creighton and her staff, was served by the Ten Little Indians Pep girls.

TAB JEFF GOLFERS TO COP CHAMPIONSHIP

Going into the PAL golf championships at Green Hills country club Monday morning, Jefferson High, led by John Geertsen, is a solid favorite to cop the event.

The Indian swingers missed winning the championship by three strokes last year, as they tallied 321 to Burlingame's 324.

This year, however, they're out to crack the league record of 311, and prospects look good if nobody blows up.

Geertsen should be on his usual brilliant game, and is pegged to win individual honors for the fourth straight year. In winning low individual score in the championships for the past three years, Geertsen already holds the PAL record.

Competing for Jefferson Monday will be Geertsen, Charles Blackburn, Jim Courts, Gary Galli, Aldo Bacigalupi and Bob Penn or Bryan Van Paul. Coach Mike Orlich had not yet decided today which of the last two golfers to enter.

Team score is reached by totalling scores of the four low men on each squad.

Daly City Supporters Of Jensen Invited To Election Party

Daly City-Colma area supporters of San Mateo County Coroner-Public Administrator Paul B. Jensen are invited to attend an election night party at the American Legion hall in Redwood City on Tuesday night, June 8.

Election returns will be available shortly after the polls close according to former San Mateo Mayor Creed Haberlin, Jensen's campaign manager.

Jensen is seeking retention to the office of coroner-public administrator to which he was appointed eight months ago from a field of 18 candidates.

Jeff Distance Team Wins Hollister Event

The distance medley relay team from Jefferson High school won themselves more laurels Friday at the Hollister relays as they set a new record in winning their event, beating out a classy field of eight schools.

The distance team of Lowell Klaisner, Wally Honeywell, Larry Allen and Jim Rector toured the route in 7:56, bettering the record of 8:03.2 set by Salinas in 1950, by a full seven seconds.

It was only a few weeks earlier that the same Jeff team took the Fresno relays in Jefferson High school's first appearance at the annual track extravaganza.

Klaisner started the race for the Jeffs on the 220 distance, with Honeywell taking the baton for the 440-yard jaunt.

Allen moved up fast and headed the pack in the 880, handing Rector a five-yard lead for his anchor lap on the mile.

Rector, who a week earlier set a new North Coast Section 1320 mark in the 30s division, broke loose and made a rout of the race, finishing a safe 50 yards in front of the field.

Of the other two Jefferson relay teams making the trip, one finished in the money. The lightweight distance medley team, made up of Duane Hale, 110, Ron Bernstein, 330, Clark Souze, 660, and Dale Fambrini, 1320, finished fifth out of 10 entrants.

The varsity sprint medley team of Klaisner, 110, Allen, 220, Honeywell, 330, and Gary Harris, 660, failed to place.

The first gave the Jefferson varsity a total of eight points and fifth in the final standings.

The 30s got one point for their fifth-place effort.

Friday night's cinderpath encounter wound up the track season at the local high school.
